Sioux City, Iowa

---

### GREETINGS 1948

In this, our first list, we of Larkspur Hill wish to extend to you our best wishes and a standing invitation to visit our gardens at any time during the year. We are situated on the highest bluff overlooking the Missouri River and have beautiful views and vistas where we can look across the river into the miles of beautiful rolling prairies and woodlands of Nebraska. Here too, we might add, our garden catches the coldest winds in winter and the hot dry ones in the summer. As a result of this we have had to discard many iris and grow only those that proved to be the most hardy. We have come to the firm belief that the iris that winter with us here, will grow under most any condition. We think you will find all our stock very hardy and our service most satisfactory and hope that you will give us a trial.

**TERMS.** Cash with order please. Draft, Check or Money Order.

**POSTAGE PREPAID** on all orders of \$3.00 or more. For orders of less amount please add 25c. Unless otherwise noted.

**SHIPMENT** will begin on July 15th, with orders being shipped in rotation as received. Unless a certain date is requested.

**GUARANTEE.** We guarantee all stock to be true to name and no substitutions are made without your permission. If you have a second choice, please notify us to permit quicker filling of orders.

Extras will be included with each order.
